THE NEXT STEP IS YOURS

We chose our theme this year because we feel there is nothing you can't do if you just take it upon yourself to make it happen. Take each step one by one knowing the power is in your hands.

Seniors, the next step must be made towards a decision for the rest of your life. College, career or marriage.

Juniors, the next step to becoming the schools leaders and example makers is yours.

Sophomores another step in completing the foundation of the high school years must be taken now.

Freshmen, the next step is up and on to more exciting and memorable high school years.

Teachers and Administrators taking the next step to make next year and every year better and better.

Stepping forward is a form of growing up. If we do not continue to learn we do not continue to grow.

We, the young generation, tomorrow's leaders, must make a step towards peace and understanding, a step towards a better tomorrow. We can do it because together the next step is ours.

Terri Gonzales Crowned Queen!

Each year homecoming week is an exciting time filled with fun times for Keppel students. It came as no surprise that Terri Gonzales was crowned Queen. When asked how she felt, Terri commented, "I feel very honored and thrilled about being chosen Homecoming Queen for 1983.

. . . That Special Feeling of

Yes, that special feeling of Homecoming . . . spirit, pride, and school unity.

The annual tradition again went off with grand success. A tradition set last year, the MR. AZTEC assembly, was again continued this year, hoping to insure bigger school participation. Before last year the MR. AZTEC finalists' talents were shown as a lunchtime festivity. A new tradition was started this year, the night time Powder Puff football game, will hopefully be continued in years to come. Both events coming off with huge success. Keppel succeeded in accomplishing a more prideful school spirit.

Homecoming 1983 will go down in the history books as a milestone for years to come!!! WANNA BE STARTIN' SOMETHING!!!

This year's Homecoming Dance proved to be a great success for Cabinet. The turnout far succeeded any previous years.

Alumni came and joined with Keppel's students and faculty to make the dance one of the biggest success with over 1,000 people in attendance.

Cabinet worked really hard to make this a fun and memorable dance.

The annual Sweethearts Ball was held at the Pasadena Center on Saturday, February 25, from 8 p.m. to midnight. Music was provided by The Singles. The schools invited to the dance were Mark Keppel, Alhambra, and San Gabriel with the attendance of 1,200 people. The Inter Club Board worked very hard to make the dance a big success. Decorations included gray and red streamers, balloons, and flowers along the staircase.

Everyone seemed to have had an enjoyable time dancing the night away.

Association Latin American Students is a school club that is open to all Mark Keppel. As a club A.L.A.S. became involved with car washes, bake sales, and other fund raising events. Also in the past 11 years A.L.A.S. has given $23,000 in scholarships.

The most important yearly function for A.L.A.S. is the King/Queen of My Heart contest. In which they the guys and girls sell tickets and the young lady or man that sell the most tickets becomes the Queen or King and receives a $100 scholarship. The money that is raised is given out as scholarship to Mexican American students pursuing a higher education. This year the contest was culminated with a dinner and dance held at Luminarias on Feb. 12, 1984.

Dancing Under the Stars

On December 10 from 8-12 p.m., the Mark Keppel Girls' League sponsored ''Wishing on a Star,'' this year's annual Christmas Ball. The four hours at the ball, were only the culmination of weeks of preparation by Girls' League — who had the task of selecting the six princesses, counting the votes, decorating the gym, hiring Disc Jockeys and then finally, working at the dance itself.

The gym was expertly decorated by Girls' League in the theme ''Wishing on a Star.'' Keeping in tune with the festive Christmas cheer and Keppel's school spirit, the gym was decorated with red and white streamers, stars, elves, a REAL Santa Claus, and an abundance of refreshments, smiles, and good cheer. The ball provided a very wintery and festive atmosphere.

Music was provided by Fun Boy Productions, owned and operated by two seniors here at Keppel, Jeff Smith and Hiro Shimizu. They collectively played and mixed a variety of pop, rock, soul, and just plain top forty music.

Participation in Varsity Basketball by two of the princesses cause a delay in the coronation ceremony. For the first time the coronation proceeds were delayed to 11:00 p.m. At that magical moment, CONNIE VASQUEZ was crowned the nineteen hundred and eighty three Christmas Ball queen. Along with Queen Vasquez were senior princesses TERRI YOSHIZUMI and VIRGINIA SANCHEZ; junior princess, NORA MATSUMOTO; sophomore princess, LUZ-MARIA QUINTANA; and freshman princess, KATHY SADZEWICZ. After the crowning, the song from which the theme was named was played as the princesses and their escorts shared a special dance and a very special moment.

The expected turnout was well handled by Girls' League advisors Susan Sanchez and Ginger Stonebreaker and by President Donna Menard. All three played major roles in the smooth running of the 1983 Christmas Ball, a night that will be remembered when ''WISHING ON A STAR.''

Entertainment '84

This year, our students found satisfaction in both modern and traditional trends. As seen, a diversity of taste was present as each individual choose the next step into tomorrow's fads.

The musical preference was as diverse as our racial mixture here at Keppel. Groups with the electronic, computeristic beat like MIDNIGHT STAR achieved popularity with the hit "Freakazoid."

Conventional rock stayed popular with groups like QUIET RIOT, MOTLEY CRUE, JOURNEY and the POLICE. The POLICE hit the top of the charts in 1983 with "Every Step You Take" and it now reigns as the top song.

Pop and Soul remained as popular as ever with groups like: DeBarge, Culture Club, Duran Duran, Lionel Richie, the Romantics, Yes, David Bowie, and Bonnie Tyler.

Aside from the rest, the most unprecedented performer was MICHAEL JACKSON with his history making, hit album THRILLER. A whopping 6 hits from the single album rocketed to the top 10: "Beat It", "Billy Jean", "Thriller", "PYT", "Human Nature", and "Wanna Be Startin' Somethin' ". Michael also swept every award in the music industry; 6 American Music Awards, and a record setting 12 Grammy nominations. 1983-1984 will surely be remembered as the year of MICHAEL JACKSON.

Another new phenomenon was a new type of dancing which had originated from N.Y. gangs. POPPING and FLOOR-BREAKING. This is said to be America's contribution to modern dance.

MTV and other various video shows brought popularity to the music video. Michael Jackson videos, of course, led the way for other videos. Other popular videos were, LIONEL RICHIE'S "All Night Long", POLICE'S "Wrapped Around Your Finger", YES'S "Owner of a Lonely Heart", DAVID BOWIE'S "China Girl", SPANDAU BALLET'S "Gold", just to name a few.

The movie industry was led by both new and old actors in movies such as "Terms of Endearment", "Silkwood", "Flashdance", "Footloose", "Scarface", "Yentl", and "Risky Business".

The private take-outs, Pepe's, the Hat, El Loco's, Belly Buster and Beef Bowl consumed much Keppel business.

As for fads, the hands-off winner was the Cabbage Patch Kids. The Cabbage Patch craze picked up around Christmas and slowly died after the seasons rush. As for cars, the status quo remained expensive.

As one can see the tastes here at Keppel always have and always will remain diversified.

The Year of Looking Good: Fashion '84

In September, students look for modern fashions and ask themselves that never ending question, "What should I wear?" The puzzling question was not to be answered, not for one look but a variety that appealed Keppel's fashion hungry students.

The torn sweatshirt abounded in all aspects of fashion. The Flashdance-post-nuclear war look could be seen in the halls at any given moment. This look consisted of torn clothes, cut off gloves, and raised pants. To add to the diversity, the free-flowing, loose-fitting, casual look gained popularity, as did the clean, short-cut man in the sleak 20's apparel.

The already popular prep style remained with argyle sweaters and vests, plaid tops and bottoms and the cardigan. Pastel and bright bold color schemes remained dominant throughout.

The casual fit picked up its pace with loose fitting sweatshirts and sweaters, denim tops and faded jeans, neutral colors, and the sporty look.

Girls, as well as guys, found refuge in multiple earrings and leather-metal accessories.

As for shoes, they vary from the traditional peek-a-boo pump to the leather sandal to the common side-topper.

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, You said that once I decided to follow You, You'd walk with me all the way. But I noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why, when I needed You most, You would leave me."

The Lord replied, "My precious child, I love you and will never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you.

The Senior Class Council of 1983-84 is made up of, from top, President Aurora Bullard, Committee Chairperson; Lisa Castellanos, Secretary; Diane Amimoto, Treasurer; Kathy Nagai, Publicity Chairperson; Terri Yoshizumi and Vice-President David Hatae. The responsibilities of the Council this year were to plan and execute various events such as the selling of Senior sweatshirts, planning the senior calendar, choosing caps and gowns, and one of the more enjoyable events, hall decorating. The Council along with the help and support of the seniors accomplished a great deal while having a terrific time. Our thanks to the Senior Advisor, Mr. Milke!

Keppel Welcomes New

BOARD OF EDUCATION: Mr. Ron Apperson, Mrs. Mancha Kurlich, Mr. C.C. Scanlon, Mrs. Dora S. Padilla, Mr. Richard S. Amador

SUPERINTENDENTS: Dr. Bruce H. Peppin, Superintendent; Mr. William T. Pickford, Assistant Superintendent — Administration; Mr. Heber J. Meeks, Assistant Superintendent — Instruction

Principal: Mr. Rudy Chavez

This year we were happy to welcome our new principal, Mr. Chavez. Mr. Chavez was raised and schooled very close to us. Mr. Chavez was born in East Los Angeles. He graduated from Garfield High School located in East Los Angeles. He attended East L.A. College. Mr. Chavez enlisted in the Navy and when he completed the service he attended Cal State University to start a career in teaching. He was previously teaching at a variety of schools. He began teaching at Roosevelt for nine years and then went on to teach at Rosemead High School and Burbank Junior High School, and formerly came from La Puente High School. He taught all business subjects.

His children were all graduates of Mark Keppel. He has three children, two girls and one boy and a lovely wife.

The one thing Mr. Chavez recommends for the students here at Keppel is to have a good education and feel free to go for what you want and what you enjoy in life, no matter what race you are. Mr. Chavez said, "There is no limit to all the education and job opportunities offered in life."

Mr. Chavez isn't like most other principals; you frequently see him around campus, at football games with his cowboy hat cheering for our team and also in class rooms visiting with all the students and participating in special events. He is also a very special and unique man, he wants the best for our school; he is really all out for our sports and dance activities.

He believes that sports and activities such as clubs, annual staff, the Aztec paper, and other groups are not "extra" at all but are a natural part of the learning experience. Mr. Chavez supports activities and sports and says they are "character building, an important practical experience and excellent teachers of teamwork.

"Good Ol' Mrs. Cleveland"

Mrs. Jessie Cleveland, formerly Miss Jessie Jacques, has been teaching English at Keppel for the past 12 years. She studied at Cal State LA and is now an excellent teacher her students say. She was recently married and is happy with her life. Jessie enjoys reading, poetry, cooking, and history.

Her plans for the future are to travel to Madrid and to live in France.

Head of Math Department

Mrs. Moser has been teaching here at Mark Keppel since 1945. She is extremely dedicated and hard working. Also she is responsible for the individual mathematics program here at Keppel. Students in her classes frequently rank highest in department exams. And as department head she meets and overcomes the problems of managing a diverse collection of classes using many teachers from other departments. Mrs. Moser has two kids, three grandchildren and a great grandchild. Her hobbies are playing the piano, organ, and bells in church. She will tour Europe this summer for three weeks. Some of the countries that invited her church group are Austria, Germany, and Switzerland. And to top all that she is one of the most liked teachers here at Mark Keppel.

The Private Life of Mrs. Sanchez!

Susan Pressley Sanchez was born in Waynesburgh, Pennsylvania. She majored in English and minored in Spanish at CSULA. She taught for two years at Sierra High School in Whittier, but quit to raise her daughter. She then substituted in the Alhambra District for three years and then decided to switch her credential to Business Education. She's been at Keppel for five years now. She has also been Girls' League advisor for that time. Her spare time is spent at Southern California Aquatics Association swim meets and Dodger games. Mrs. Sanchez enjoys teaching typing and working with high school kids "because they see the world in such a different light — besides they usually know a lot of good jokes."

"My secret desire is to be all alone on a sunny desert isle with a library close at hand."

The Phoon Platoon Lives!

Born in Germany in 1948, Mr. Reinhard Forster has been living here in California since the ripe old age of 4 ½. He attended Cal State Long Beach where he received a BA Major in his native German language while also earning a Minor in the Social Science field. His first teaching job was at Alhambra High School in 1974 and in 1977 transfered to Keppel. With a wry smile he said he enjoys reading, watching T.V. (incidently his favorite shows are Automan & Dallas), and building models. As for his plans for the future his most immediate one is to get his wife into law school. But Mr. Forster does have one wish which is to see Mr. Oswald wearing a wig. P.S. — To all phoon platoon members: Mr. Forster wishes you the best of luck in everything.

Mr. McCoy, Still Hanging in There

Ken McCoy has been a favorite Keppel teacher for 32 years. Presently teaching drafting and woodworking, in the past he has taught metalworking, welding, plastics, and was even Senior Class Council advisor for 7 years. In his spare time, he has a variety of interests. Besides enjoying woodworking, he maintains a garden with over 300 species of flowers, and he makes rugs and tapestries on a real loom. He is presently in a service club that helps mentally handicapped children, and is also writing some educational films. Mr. McCoy says he has enjoyed Keppel, but is looking forward to retirement so he can have more time to do the things he likes.

Helping Hands Keep Keppel in Motion

HALLGUARDS: John Milano, Mike Burke, Darlene Aguilar, Sherri Leon

With an ever-growing population, the job of personnel gets more difficult everyday. But with their strong determination and dedication, they have kept everything running smoothly and under control. Every one of these individuals has helped to make school life easier for students, teachers, and administration.

The attendance office could usually be found with students waiting in line for their readmittance slip. Working hard, the secretaries did their best to get students cleared and to class on time. Besides distributing absence slips, they were responsible for making phone calls to clarify absences, collecting attendance sheets every period, and keeping attendance records. With a lot of effort student attendance data was kept precise, in order, and updated.

Working at the main information center, guidance office secretaries contributed a lot to keep our school in motion. From helping out our counselors to typing and putting together registration packets, they helped out the population of our school. Although they each have their own individual posts, they performed their tasks as a team and got the job done.

There are also those individual secretaries that made things happen for the better of Mark Keppel. Mary Jane Bush, activities office secretary, was responsible for typing out the daily bulletin, and, in this way, kept our staff and student body well informed of school happenings. Also, she assisted our assistant principal, Mr. Horst, in many important tasks. Just next door, Laura Aguilar and Emily Ramirez could be found doing their best work for our principal, Mr. Chavez, in the principal's office. Dessie Vukanovich, the bookroom clerk made sure that school textbooks that were checked out were returned and in good condition. Besides managing the bookroom, Ms. Vukanovich took I.D. pictures all year long, worked at the student store, and helped Cabinet in many ways. Probably the most vital part of our personnel is our nurse, Delora Brown. Throughout the year, she was ready to help anyone who might need medical care. Also she put in a lot of hard work when physical examinations were given, and was head of the annual blood drive. These tasks were made easier with the help of Shirley Carr, the nurse's office secretary.

With a lot of effort from our dedicated hallguards, order in the halls and around campus was achieved. They deserve a lot of credit for keeping such a large population under control.

Although our personnel sometimes goes unnoticed, they are the individuals that have kept Mark Keppel moving in the right direction.

Putting out the Teocalli for 1983-84 was truly a memorable experience. Many class times spent talking and kicking back and THEN the dreaded deadline! Weeks of work packed into a few paranoid days — with staff members trying their very hardest and photographers printing like mad, and all for the purpose of capturing that special memory. This years staff was dominated by Seniors with the exception of two Juniors. The collaboration of young minds and innovative ideas proves to be a winning formula in putting out one of the most original yearbooks to hit MKHS.

Aztec News . . .

Working hard and under extreme pressure, the AZTEC staff successfully publishes their bi-weekly newspaper. Led by chief editor, Keri Vermillion, the AZTEC staff, small as it may seem, is BIG on journalistic talent and enthusiam.

Through the good and the bad, they have successfully kept our student body well informed on the current news, issues, and public opinions.

This year's staff was basically under-manned and inexperienced, but lessons were learned and achievements fulfilled. One of the prides of being on staff, Mr. S. Mangrum, believes is the hands-on-experience gained by being faced with the various tasks of a journalist. The experience gained here will prove to be very helpful in the future; and achieving this rare experience while still in high school is a once in a life time chance. If you are one who enjoys a challenge and wishes to venture into the field of journalism . . . join Mark Keppel's AZTEC newspaper staff.

RIGHT: "RELIEF" Editor Keri Vermillion completes her layout just in time to make the deadline. BELOW RIGHT: Christopher Roman, frenzied in an attempt to get the facts straight, concerning his upcoming article. BELOW FAR RIGHT: "AH . . . finished!" The AZTEC is published bi-weekly by the journalism class of Mark Keppel High School. It is distributed on Fridays for 10 cents a copy. Advertising rates are available upon request. Opinions are those of writers and not of the AZTEC, the MKHS faculty or administrators. Letters to the Editor are welcome. Send them to AZTEC Editor, Mark Keppel High School, 501 E. Steps Into the Future

ASB Fall Cabinet

Cabinet worked very hard to get students involved with the varied school activities this year. Cabinet's main goal this year was to recognize the "invisible kids." One of the things they did to reach this goal was they sent a birthday card to every student in school. Cabinet's efforts met with great success.

Girl's League

Girl's League is a service organization open to the whole school. This year they were busy serving the school and community. Starting with cardpulling and registration, they also helped at back-to-school night. During Thanksgiving, they arranged for food baskets for needy families, and plan to do the same for Christmas and Easter.

Sponsoring the annual Christmas Ball is also on the agenda for '83. During the holidays, they also planned on helping Senior Citizens at Langley Center. They serve at the faculty Christmas breakfast and also sponsor the Big Sister/Little Sister program.

Pep Commission Keeps the Spirit

The ever-so-busy members of pep commission have been a great help to our school spirit by painting signs for our different games and activities that go on in our school. Their hard work is greatly appreciated by the school and we hope they keep it up. So, when you're walking down the halls and you see the many booster signs, remember, they're provided by Pep Commission . . .

What an Idea!

The Idea staff, with their advisor Mr. Franz, has collected many short stories, poems, photos and art work from the very talented students at Mark Keppel. They have compiled all of these submissions into a great magazine called . . . you guessed it, "The Idea." We also know that with the combined efforts of the Idea staff and the submissions of the students we're going to have a good magazine. 1st row: Jeanette Hong Le, Alice Ishigame, Yumi Yoshida, Lien Nguyen, 2nd row: Mai Hoang, Grace Te, Kim Brendzal, Gina Belluso, Jane Lau, Top row: Joanne Lau, Woody Chan, Shirley Sum, Wai Lun Chong, Donna Menard, Jason Yee.

Under the leadership of advisors Richard Westphaln and Lion's Club Representative Lester Lundt and President Tina Solorio, Leo's Club was successful in donating much time to service and aid. Their service included painting the aztec stadium sign, helping during white cane days, and contributing time to the annual blood drive here at school. Friendship Club

The Friendship Club, a service club which brings together students of Vietnamese background, made a great comeback this year. With ninety-eight members it proved to be the biggest club on campus. It was very active under the direction of co-advisors Mrs. Stonebraker and Mr. Jackman. Their activities included a Thanksgiving dance and participation in the Cinco De Mayo and Spring Festivals. Their successful fund raisers provided scholarships for graduating seniors. With great effort from President Trinh La, this year turned out to be their best.

Kiowa is one of the more active Tri-Hi-Y Clubs on campus. They hold numerous activities every month. From their Annual Kiowa and Lanakila (Their sister club from Alhambra High School) Thanksgiving dinner, to services for the community — such as a semester of volunteer work at the library. Surprise pick-ups and in-depth talks during rap sessions are just some of the things that keep this club very busy. With the diversity of its members, it uses the unique chemistry and takes them from the Monterey Park Artisan's Faire to Wake-a-thons at Westwood. Kiowa works hard for the YMCA, school, and community, but it has always had time for togetherness. One of their main goals is to form a strong sisterhood between all its members.

Spanish

In this 1983-84 year, Spanish club has been active in various events such as a Spanish play held in Los Angeles called "Rosalba y Los llaveros." Predictably, the play was very successful. During the Christmas season, they went carolling at General Hospital for the sick and elderly, who, at the time were unable to be with their families. The patients were very grateful to the Spanish club's caring contribution to make their Christmas a little more enjoyable.

The Spanish Club had also participated in our regular academic and recreational school functions such as Homecoming and Cinco de Mayo festivals. As a celebration for another successful school year, the Spanish club went on a trip to Magic Mountain.

French-German club . . . what exactly is this established club? Could it be like the Amer Asian club with students of the names heritage? The goal and purpose of the club is to raise money for scholarships for outstanding French and German students of the year and also to dig deeper into these European cultures.

Usually busy helping each other out with homework from their advanced language classes, the club does take time out for some rest and relaxation. This year they planned a trip to Disneyland which was made possible by the raising of funds through flower and jewelry sales.

President Wendy Sumimoto says of the club, "Things are going well with the club. The members are getting along quite well which makes things nice. The responsibilities of being President are tough at times, but I feel the benefits of working with the people in the club make up for it."

SCIENCE CLUB

The Bio-Science Club, under the direction of Advisor Stu Schnell and president Raymond Huie, has been active in many campus events such as Homecoming and Spring Festivals, Christmas Ball and other dances. Varsity Football Scores 41

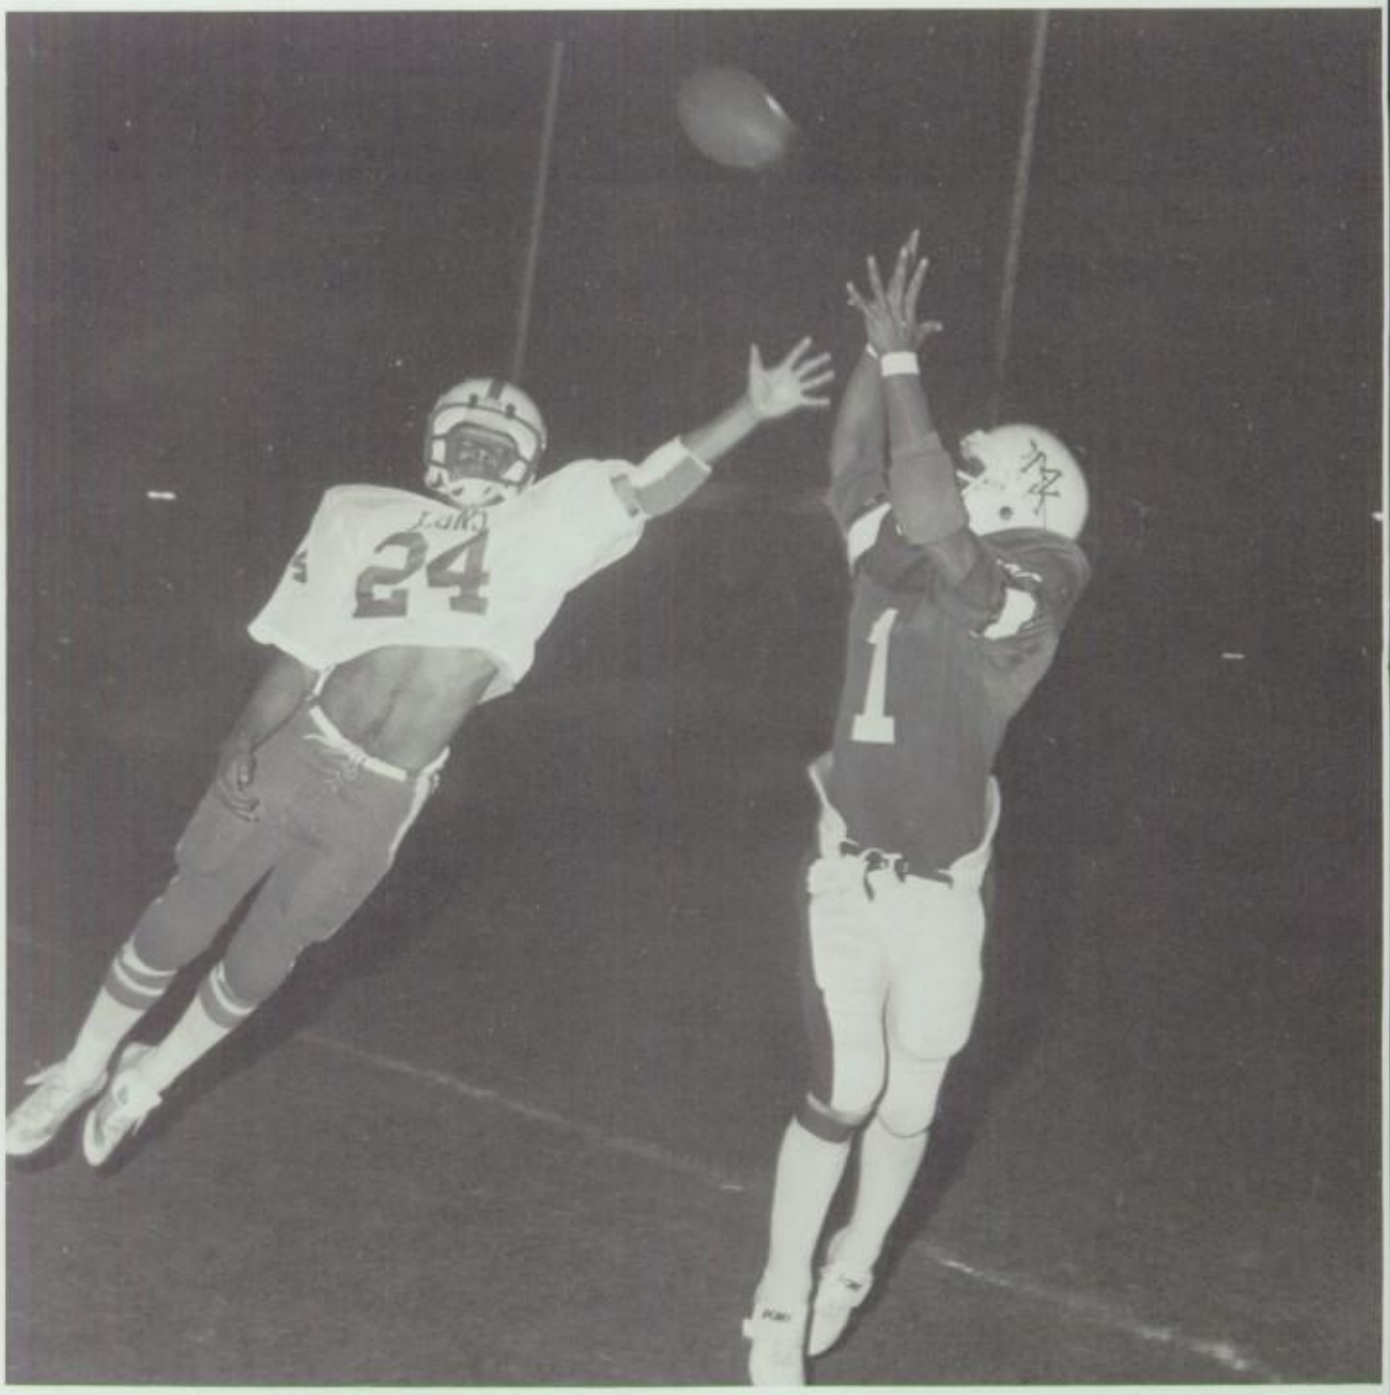
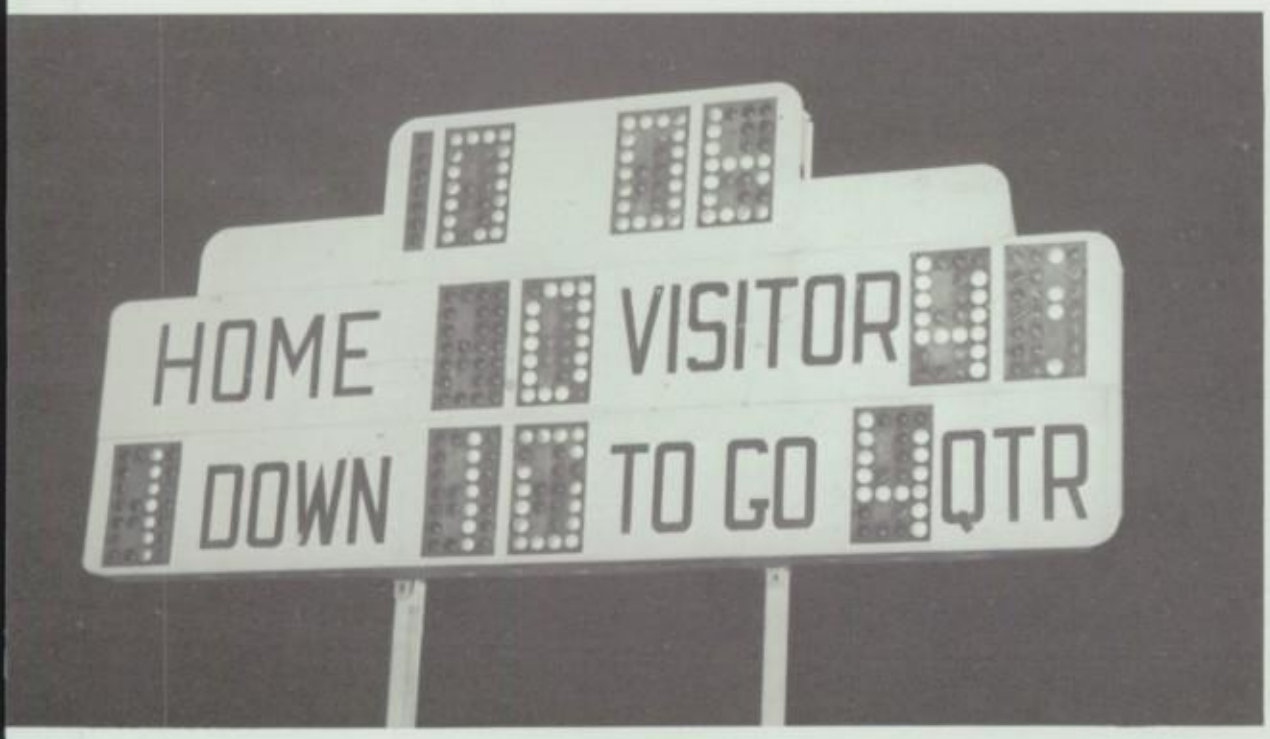
Varsity Football team showed effort and leadership. Team captain Tim Pfrimmer and new Head Coach Harold George rallied from pre-season losses to lead the team to resounding victories in league play. El Monte was stunned 26-0; Mountain View will long remember its 41-0 defeat by our Mighty Aztecs. Defending champs Rosemead were in real trouble all evening but went away with the victory at our Homecoming.

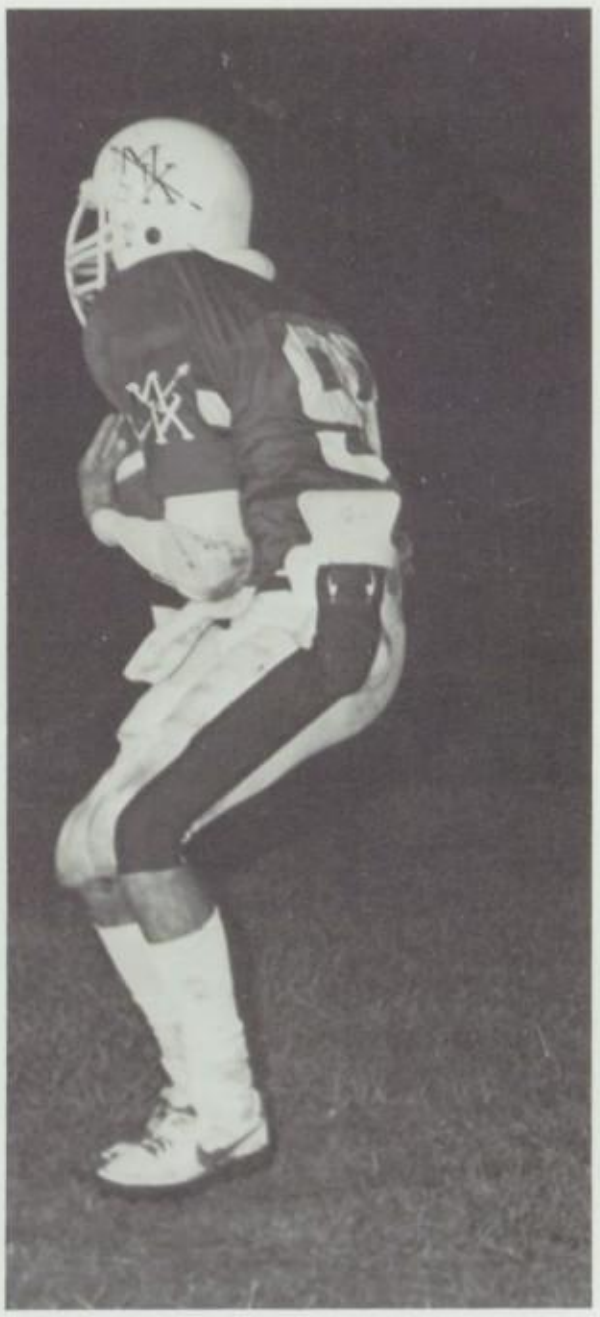
With Anthony Walker on offense and Polo Cruz on defense, the team built up stamina and as would be expected, the school and team finished the season with pride.



New Varsity Coach, Harold George, has put the Aztec Football team on the right track. A grad from Utah State University, an AAU Diving Champ, a Basketball player and of course a football player now directs our Mighty Aztecs Varsity team.

Coach George really knows his sport. He coached for two years in Utah and has been coaching here for the past 11 years. Coach George commented "I enjoy high school coaching. This has to have been the most enjoyable year."





Clockwise: Aztecs highest scoring game against Mt. View (41-0, 6 seconds left, 1 down to go, and the 4th quarter.)!! Senior tight end Dave Borquez hangs on for first down!! "Look close you guys . . . Takin' It To C.I.F.

Head Coach Harold George, along with the assistant coaching of Gregg Pedrola and Andy Herrera, took our Varsity team to the first round of C.I.F. play-offs. The last time that Varsity participated in the play-offs was three years ago as a wild card team. That was not the case this year. Our Mighty Aztec team earned their play-off berth by working together as one unit and with a league record of 3-2 (3-6 overall) they were able to overcome pre-season problems and capture third place in the Mission Valley League!

Leading the team through the season was team captain Tim Pfrimmer who commented "The coaches and team members will look back to this year and remember it as the year of change." Tim received the Most Valuable Player award for his excellent performance as middle linebacker and center. Junior Quarterback Anthony Walker was named Best Offensive Player and was honored as KABC's "Player of the Week." There were two choices for the Best Defensive Player award, Senior Chuck Erdman and Junior Ramiro Vega, John Gonzales and Gene Berdugo each received a special coaches' award for their hard work and devotion to the team. The Bruce Cox memorial Award went to Steve Murray and Homero Sanin.

Varsity Tennis Repeats as League Champs

This year's Varsity tennis team, coached by Richard Westphaln, was a very dedicated team. The members were filled with energy, confidence, and enthusiasm. The team is made up mostly of sophomore and juniors. Even though this year's team is young, they have done a terrific job!

They beat Rosemead High School, one of their toughest competitors, 14½ to 3½. Having won League and going to CIF, they all look forward to next year.

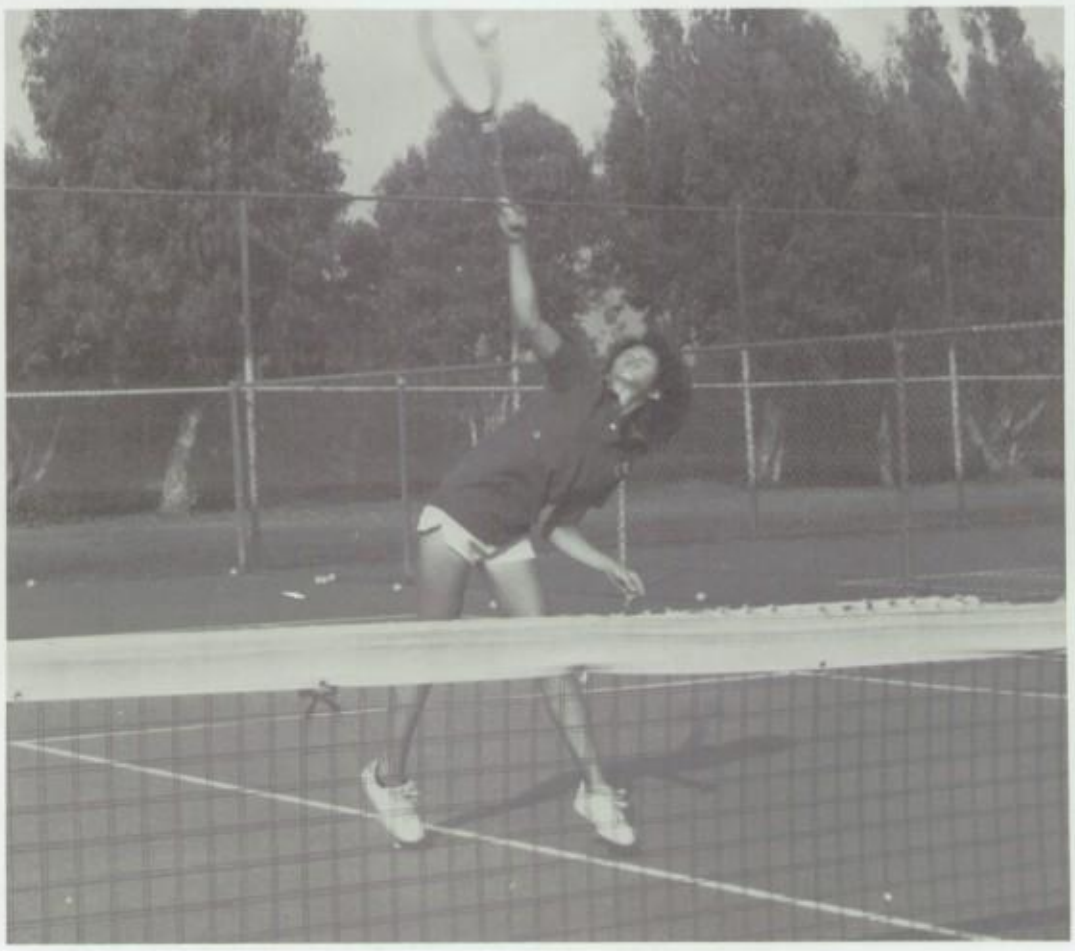
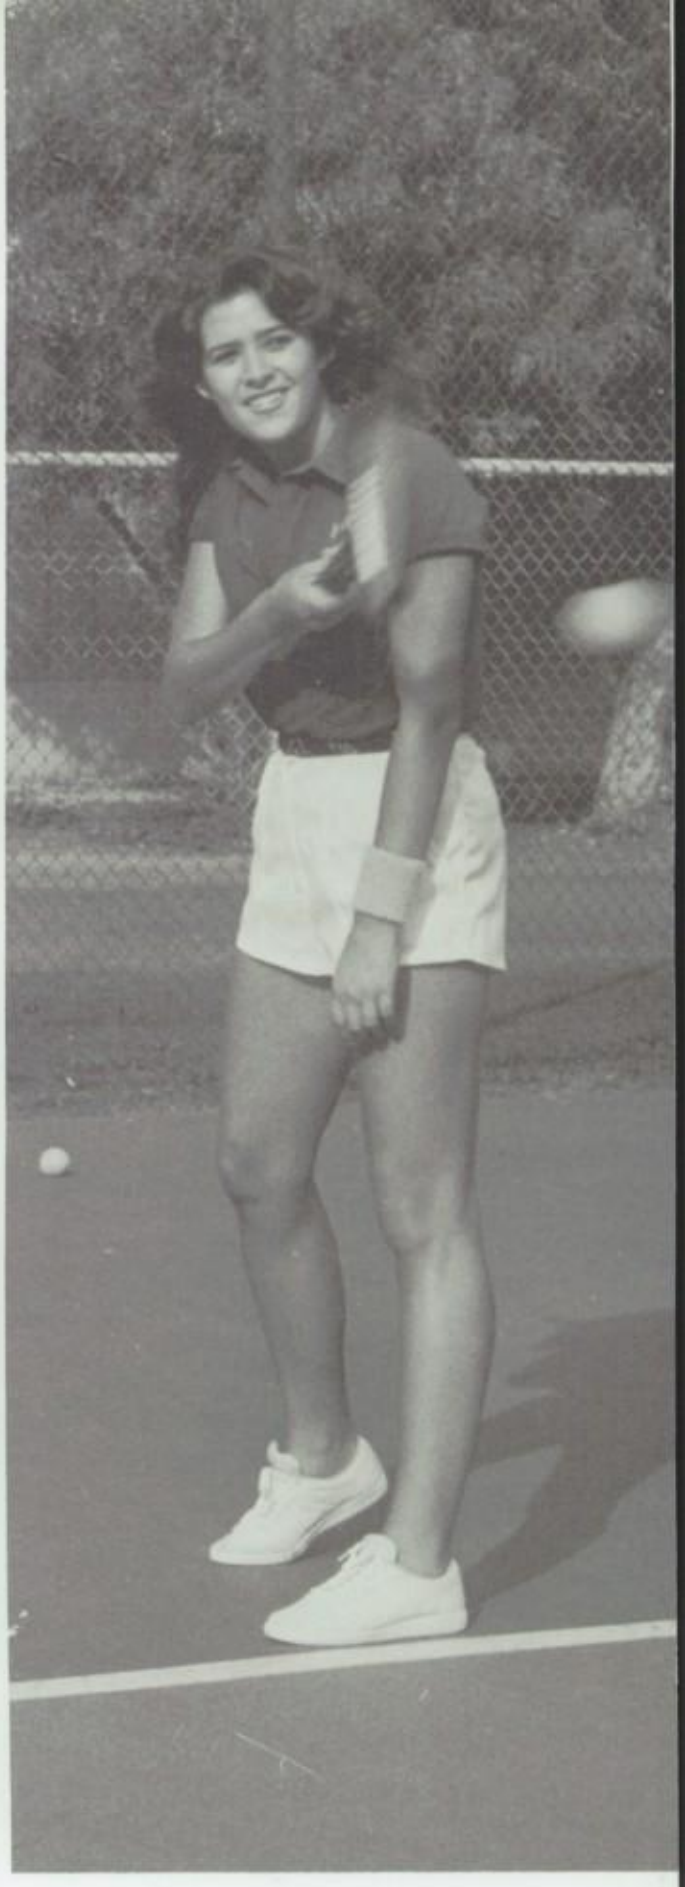
Girls' JV Tennis Undefeated!

"They had practiced very hard over the summer and it shows. In other schools they would be playing Varsity. One word says it all, they're awesome."
—Coach Grbac





The Girls' J.V. Tennis had a very strong season. They placed first in league with a record of 10-0. Keppels' J.V. Tennis has always had a strong team and has smashed its opponents in the last three years with a record of 29-1. Assistant Coach Jim Shollenberger agrees that they show great team effort. "It's the most experienced and one of the youngest J.V. teams in the league." Coach Grbac was real enthusiatic about the team. "With no graduating seniors on Varsity next year, the J.V. team should be as strong as ever."

Inexperience was the key setback for our volleyers. Both teams, undergoing a rebuilding stage, have proved their abilities to pose as a formidable threat to opposing teams. Being handicapped from both inexperience and lack of players, the volleyers have a very promising future. Through team spirit and perseverance, Keppel's '83 team did surprisingly well, considering their disadvantages.

Their abilities should gain future success in the upcoming seasons. A quote which best describes the team's spirit is: "Hitch your wagon to the stars." (Emerson)

Varsity Tennis '84

Upholding a tradition of winning tennis at Keppel, this year's Varsity team worked hard to make themselves known in the Mission Valley League. With tough competition from Rosemead, Arroyo, and El Monte, that was not an easy chore. Under the strong leadership of team captain Eric Chan and returning lettermen Tri Nguyen, Dung V. Nguyen, and David Hatae, the team worked hard toward another successful season. Preseason tournaments and a vigorous training schedule, set up by Coach Rich Westphaln, helped in continuing KEPPEL'S winning tradition!

Starting off slowly, Varsity Basketball was able to get going by the time league started, With only two returning players, David Hatae and Steve Murray, Coach Bob Zabel was faced with the task of preparing the rest of the team. Hard work and discipline proved to make this year one of building up the Keppel squad. And although the scoreboard wasn't always in our favor, the Aztecs put forth 100% effort till the end.

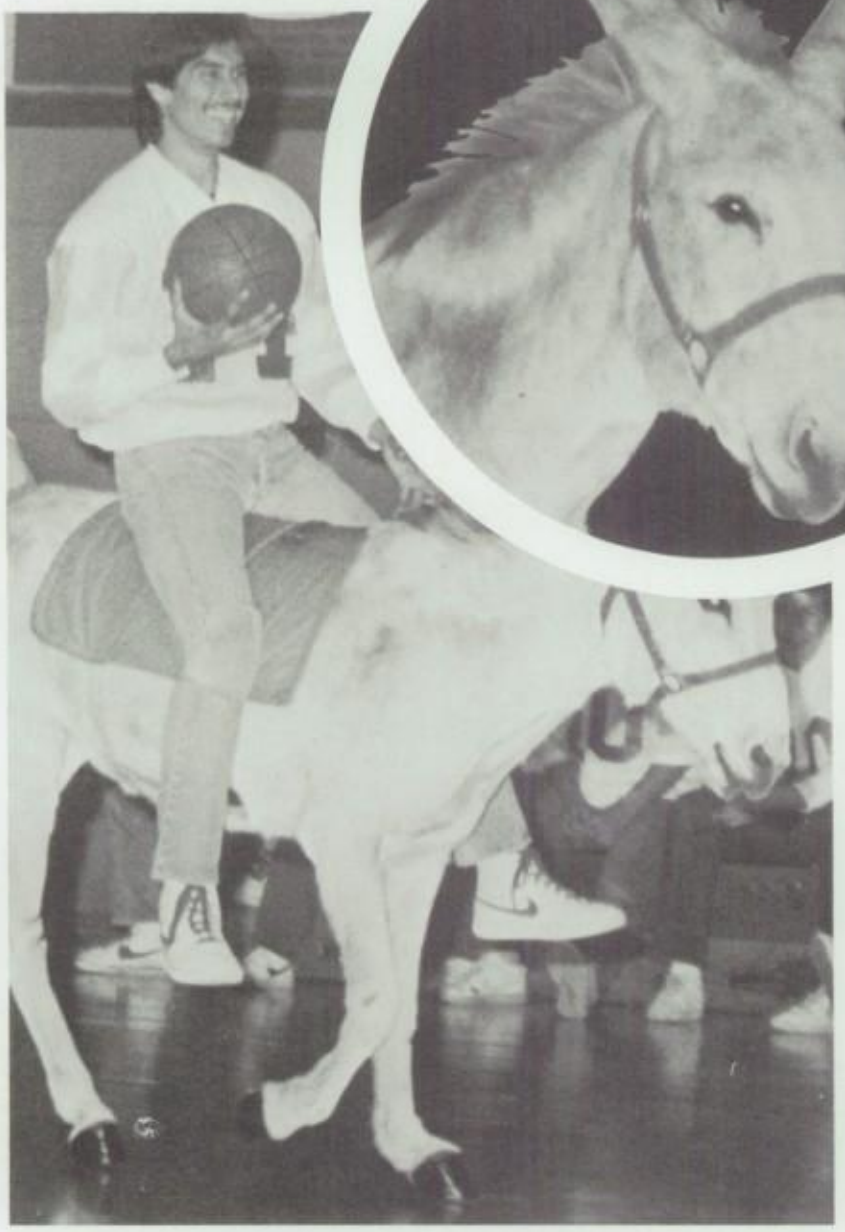
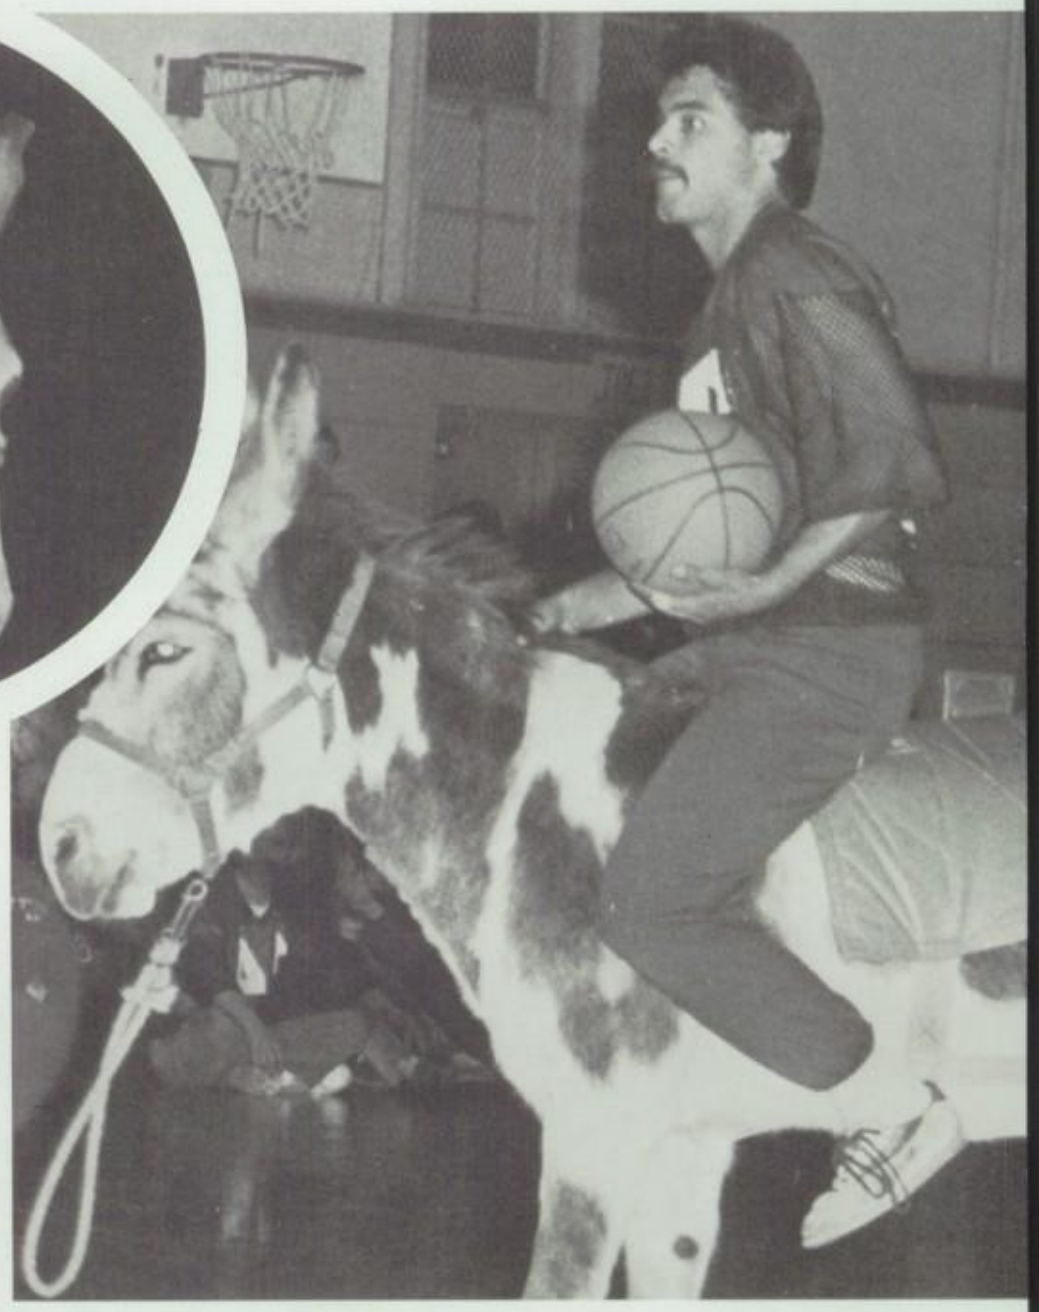
Donkey Basketball Kicks Up Fun & Spirit!





As the Mark Keppel Gym filled with an enthusiastic crowd, the annual AFS-sponsored Donkey Basketball game got under way on March 1, 1984 at 7:30 P.M. The donkeys were brought in and a night of fun and laughs began. For this one night the rules were set aside as the Keppel Varsity Football team battled it out against the Faculty. Joe Hashimoto, a Keppel student, was the emcee for the evening.

Donkey Basketball is one of the biggest fundraisers for the American Field Service (AFS), which is headed by Mr. Don Monson. Profits of the game go towards expenses that AFS stum were provided by the Burro Sports Club of Riverside, California.

This year's Donkey Basketball game had many nail-biting situations as the two teams kept the score close. The biggest lead of the game was six points by the faculty team. At the start of the game the faculty team soon took the lead, but the Varsity team stood close behind. At the half, the score was 18-20 with the faculty leading. The second half provided more excitement as time gradually ran out. The second half ended with a tie of 36-36, and took the game into overtime. The first team to score the first two points would then win the game. Both teams put up a good fight as they blocked shots exceptionally and kept the crowd in suspense. After minutes of turnovers and rough play, the Varsity team came out victorious to the delight of the crowd. All in all, the game provided a night of laughs, suspense, and excitement.

Varsity and JV softball worked hard this season. They spent innumerable hours practicing on weekends, during holidays and especially after school, and it paid itself off at the end of the season when they had an excellent record to be proud of. Coach Burke, with the assistant coaching of John Milano, Pat and Yolie helped the girls to a successful and winning season. A general all-around good attitude and feeling also played a major part in the overall success of both teams.

Winning is the pastime hobby of the varsity soccer team. Thanks to the leadership and excellent coaching techniques of Coach Werner Barsuhn, for the past few seasons the undefeated team performed another outstanding season.

Without great support from fans, they sure showed their Aztec Pride by boosting themselves up and the love of the game, they continued to dominate teams by outlasting them through the second half of each game.

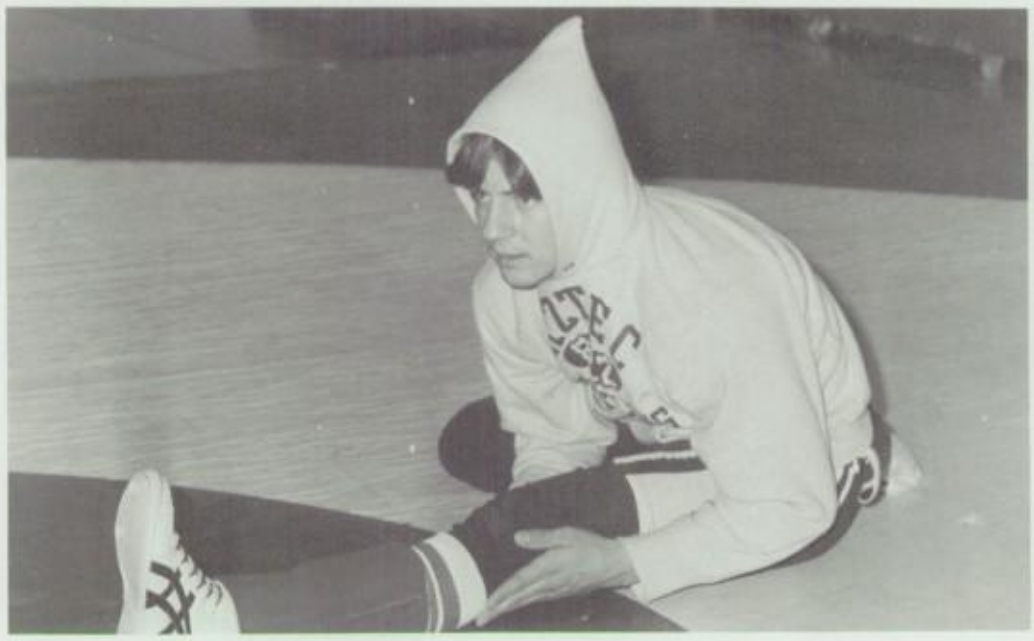
Behind every outstanding Varsity team is an outstanding JV team. Coached by former Keppelite Coach Roberto Yepez and leadership of Captains David Rodriquez and Jose Martinez the team continued to be champs with a record of 8-1. Dominating their league this season, the road to CIF next year is pretty well paved.

Varsity Wrestling Has



The 1983-84 season was one of the best ever for Aztec wrestling. The mid-point of the season showed the 21-3 Aztec grapplers being ranked among the top ten teams in 3A-CIF. An exciting "down to the last match" meet with #1-CIF ranked Rosemead High School prevented another Mission Valley League Title. One of the highlights of the 83-84 season was the team placing fourth at the tough 32-team El Camino College Tournament of Champions.

Outstanding performances were given throughout the season by the following Varsity Members; 98 — Calixto Jimenez, 105 — Dean Yoshizumi, 112 — Eddie Correa, 119 — Luis Martin, 145 — Gabriel Hernandez, 154 — Homero Sanin, 165 — Richard Lopez, 175 — Polo Cruz.

An Exciting Year!!

Varsity And Junior Varsity . . .

The co-ed Badminton team this year was coached under Mr. Saunders. Many players from last year's J.V. squad moved up making this year's Varsity strong and experienced. Teamwork played a big role this year because all members helped one another.

(L to R) Stephanie Yen, Van Lam, Brenda Lim, Wai Lun Chong, Carol Nomasa, Kong Ang, Mr. Saunders, Nancy Phan Anh Ly, Man Chi Chong, Wai Hon Jung, Faye Chen (kneeling) Julie Park, Cuong Phan

Stephanie Yen shows her style of playing this sport.

(Front L to R) Linda Kao, JoAnn Hong, Christine Hsu, Rosa Li, Kiet Xa, Janet Wong, Teresa Cheung, Margaret Solte, Lang Ang, Christine Hsa, Judy Lam (Lying Down) Coach George.

Coach George this year headed the J.V. squad to a very good season. Although with very little experience, all the work these kids put out payed off. Next season these players will move up and help the Varsity squad to an MVL CHAMPIONSHIP!!!

Highlights of the season include winning the 17-team Gahr Tournament and placing third at the always competitive 17-team Sierra Vista Tournament. Outstanding performances were given by the following JV team members: 98 — Dean Isa, 112 — Alex Vasquez, 154 — John Adame, 191 — Russell Noriega, 105 — Lupe Jimenez, 138 — David Mendez, 175 — Gus Villearreal, 245 — Bryan Quiroz

When You Are Serious About Winning . . .

The 1984 MKHS SWIM TEAM had suffered many hardships throughout the season, but team pride, spirit and unity pulled them to success. Being dangerously impaired by a small number of returning varsity swimmers, the team underwent a drastic rebuilding stage, and success prevailed (Returning varsity boys — Van Ly, varsity girls — Jana Klein and Dawn Gotanda). Even though there were very little varsity swimmers, the turnout for the team was enthusiastic and most promising. Incoming freshmen — Jerrod Ullah, Sean Gill, Sandi Munemitsu, Vanessa Rodriguez, and Sarah Ortiz proved to be a very vital part of the team. Together with the newcomers and returning varsity were the returning J.V. — now varsity — Scott Koga, Van Trieu, Arnee Poblete, Son Kim, Paula Kurilich, Jennie Kim, Nancy Lee, and Flora Yokoyama too proved vital,

Notably the swim team has almost tripled in size in the last three years, most of which is due to the best coach in the world, JOHN McLAIN. Much THANKS is due to him for successfully building and teaching a new and better swim team. This year Mark Keppel, for the first time, proved to be a threat to the front runners in the Vista Valle League. Coach McLain had given our team all of his time and 200% of his effort. In return Keppel filled the pool with almost the entire team, qualifying for the league finals.

Swimming is a sport that demands strength, endurance, patience and perseverance. It was Coach McLain's job to install both these qualities and PRIDE into each individual swimmer. This, he did with great success and pride and love for the team. This years strongholds in competition were in the alternate strokes — butterfly, backstroke, breaststroke, and the individual medley. Dedication, drive, and pain are the keys to success, and every day the team worked out at Barnes Park Pool from 2:30-5:00 proving it. Enduring grueling workouts the swim team was one of the strongest ever. In addition to the workouts the team had a lot of fun. Gaining new friends and meeting new people is just a part of the fun. The team may not have finished first in the league but they finished first in team unity and spirit.

Aside from Coach McLain and the swimmers, much thanks and appreciation for their time and effort goes to "Doughnut" Mike, David Yeung, Nicki Lopez, and Sky Porter. Remember everyone is encouraged to join, and don't worry if you're not a good swimmer, we'll make you one. The MKHS SWIM TEAM was, is, and will always be "Serious About Winning."

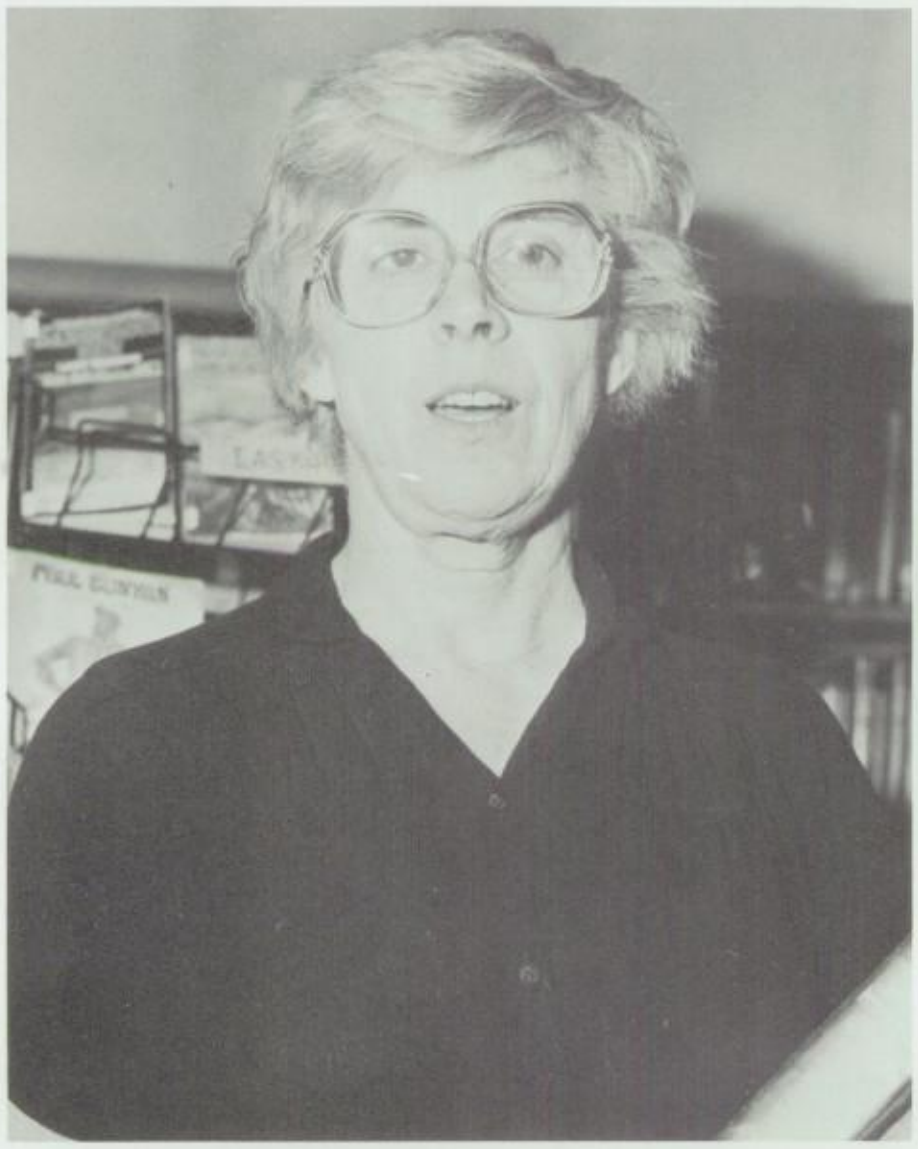
3) AWE-STRUCK. Jana Klein is the epitomy of a competitive swimmer; grace, determination, endurance, style, strength and the pain of a tiresome workout. Here, Jana shows off her form and expertise in butterfly. 4) DIVE TO PERFECTION. Varsity swimmers, Jerrod Ullah and Van Ly, dive to win at a meet against Workman High School. 5) SPLASH! Jerrod Ullah, displayiing perfect form in breaststroke, pushes the water off his chest — a sure sign of athleticism. 6) WHEN YOU'RE SERIOUS ABOUT WINNING. A part of winning is team spirit and unification. Just before a meet against Charter Oak, Coach John McLain calls a team meeting and one last cheer before doing battle.

LIBRARY

Our four librarians, Jean Marti, Peggy Taylor, Mona Jaihouni, Patsy Springer, all work hard to keep our library complete and up-to-date. You will always find them working with a class or individually with students. Their help is greatly appreciated by all the students and faculty. We hope to continue to have an outstanding library here at Mark Keppel.



CAREER CENTER

The four staff members of the Career Center, Celina Dean, Maria Sandoval, Angie Magni, and Riley Mason, help students decide on college and career choices. They work with them individually, and help them pinpoint the type of career that would best suit their interests.

WORK EXPERIENCE

Mrs. Armida Sandoval of work experience works with students to get them acquainted with working world and get them more familiar with the different types of work available.

Varsity Song 83-84 consisted of nine members, all of which were seniors. Throughout the year, they worked very hard practicing routines for pep rallies and competitions. Keeping up the spirit at football and basketball games was also a big part!

"Being a songleader isn't all that easy. It takes a lot of dedication, time and practice; but is all worthwhile for we developed new friendships along the way and besides, songleading is what we like best."

They only have five members this year and their names are: Andrea Ortega, Terri Ortiz, Sandra Vasquez, Renee Tarin and Brenda Ramirez. We all hope that B-Yell keeps up the fine job that they have done so far.

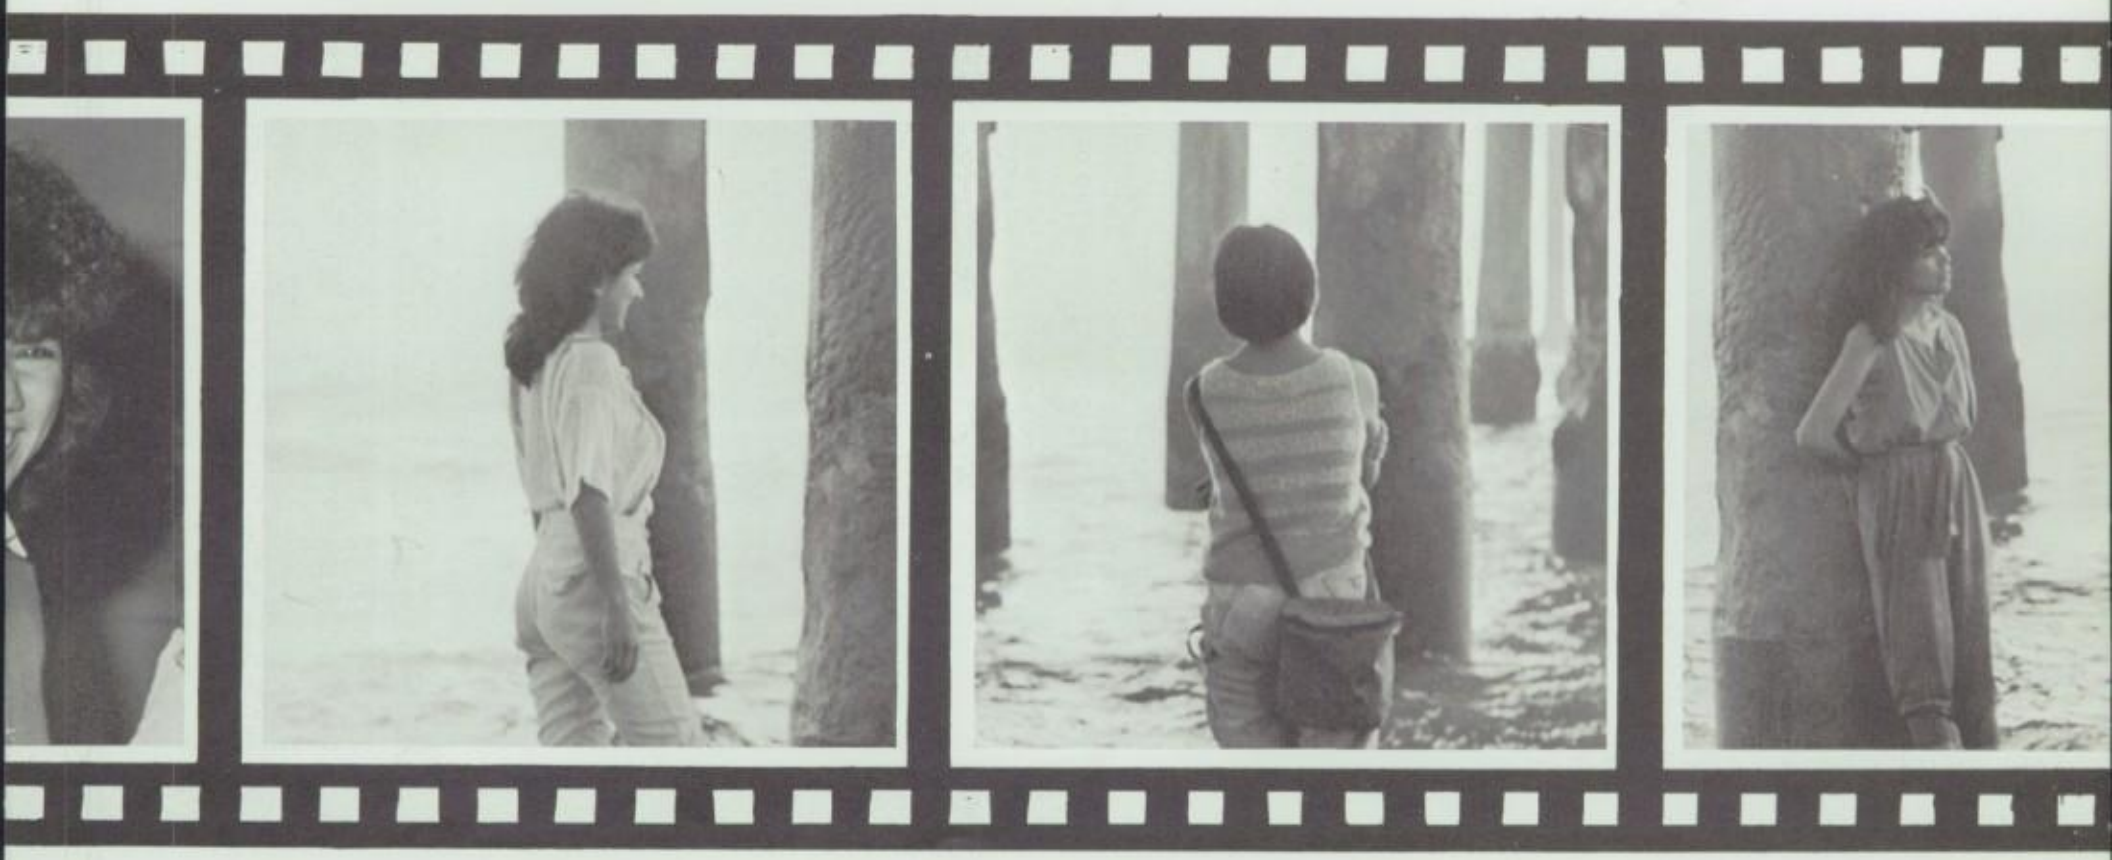
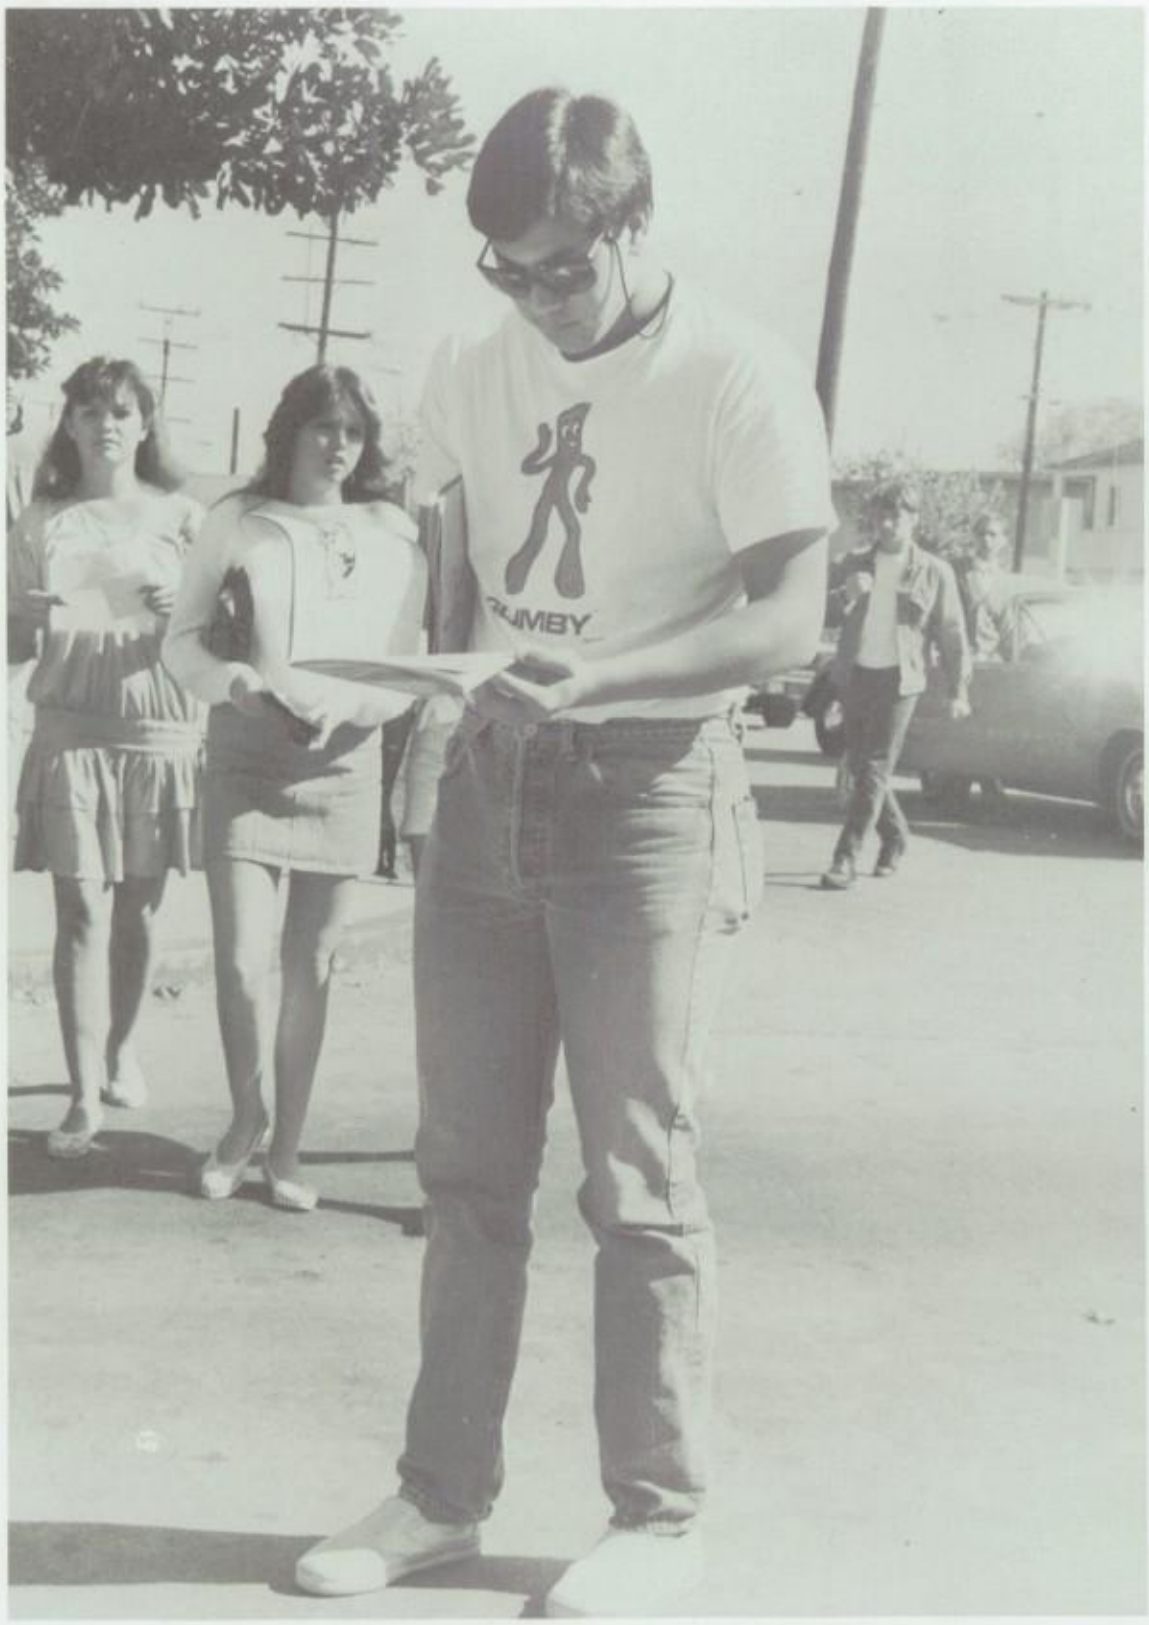
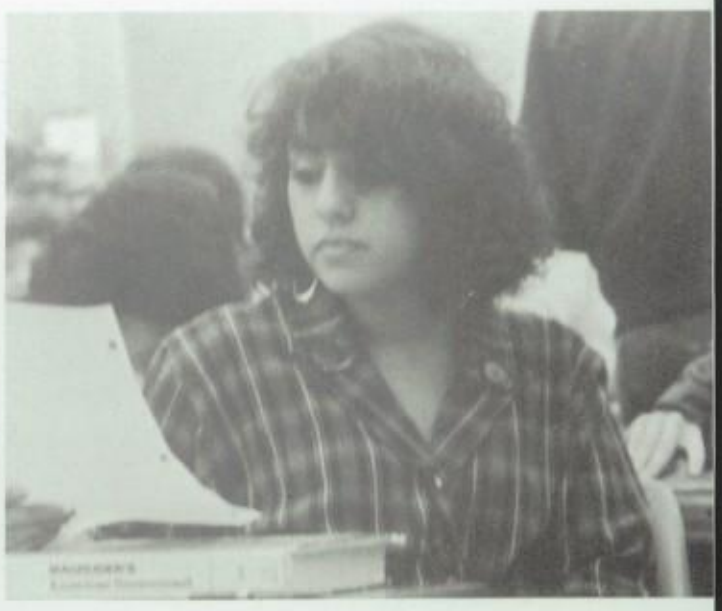
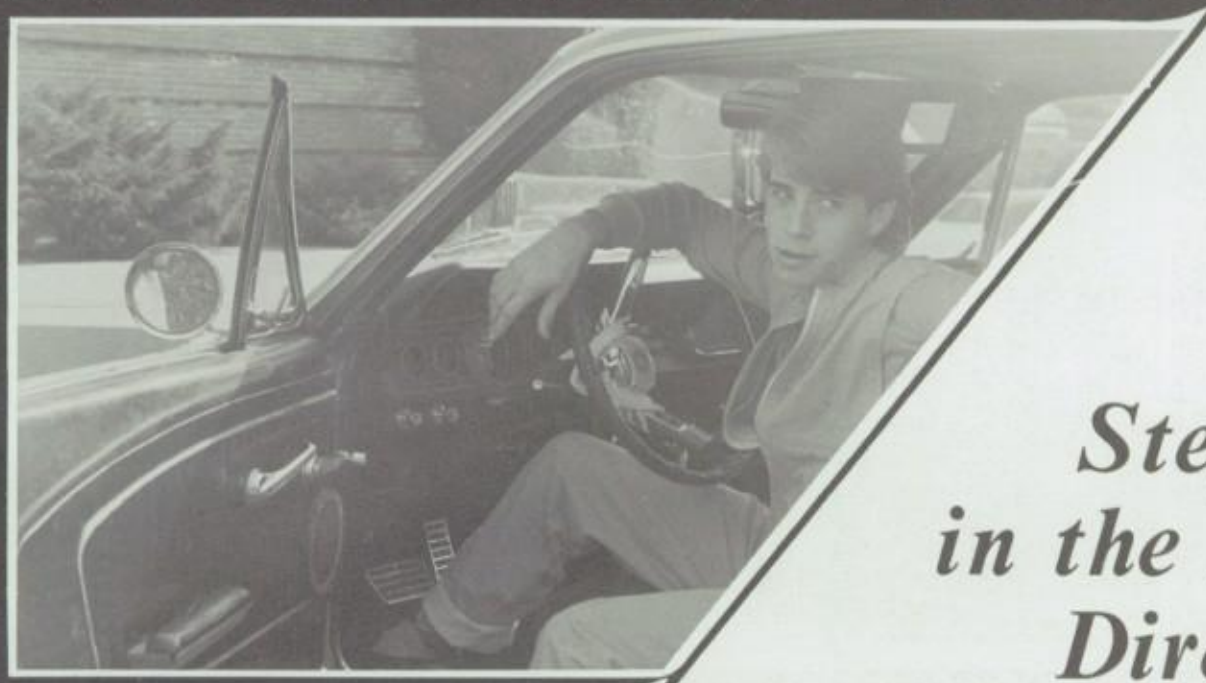
Every Step We Take



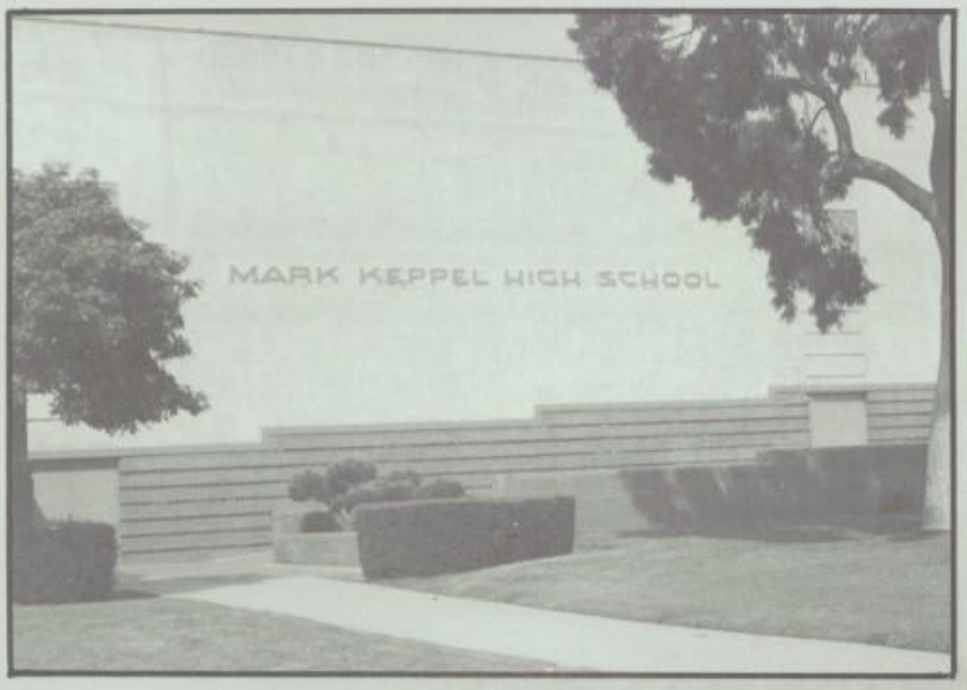




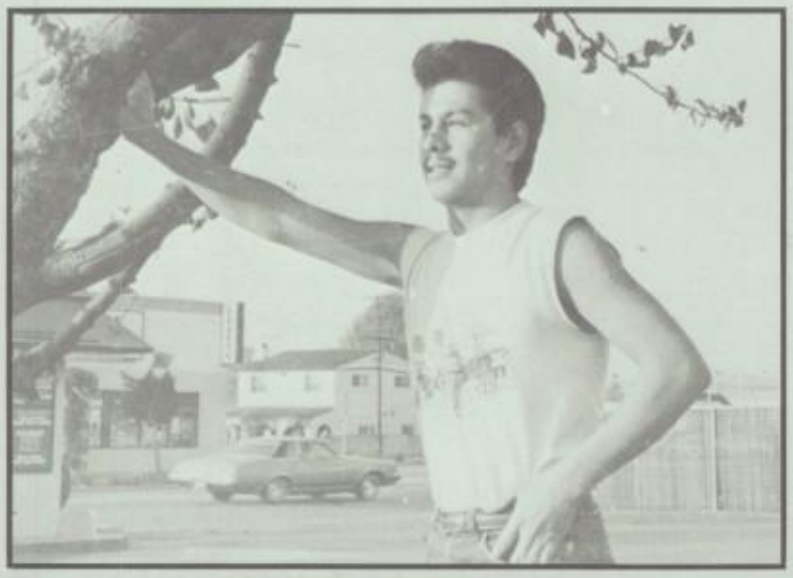


Stepping in the Right Direction

Where Do We Go From Here?



Where do we go from here?
Where will time find us?
Will the future
Heal up our wounds
or will it just open up new ones?
Are desires really worth wanting?
Are ideals worth pursuing?
Do you know the answer?
Do you feel assured?
or are you confused like I?
Where do you go from here?
Is your road the same as mine?
Will you miss me
like I'll miss you?
Will you remember me?
or will I fade off
into a mirrored vision of the past
Will you change?
or stay the same
or will you even care at all
Where do I go from here?
I can't really say
There is so much I want to keep
But my grasp is becoming weaker
I'll think of us often
in the years to come
But I know
It won't be the same
because I will be alone



. . . the Next Step is Ours

Stepping in with . . .
. . . food
. . . pictures
. . . arcades
And don't forget . . .
. . . FUN!!

that can be washed away . . .

With much determination and effort, The 1983-84 Teocalli staff put together a terrific annual. It wasn't any easy task, and we had our ups and downs, without these special people, producing the 84 Teocalli would not have been possible . . .
